

THE GOVERNOR GENERAL • LA GOUVERNEURE GÉNÉRALE

Music is both a unifying art and a means of escape. It transcends linguistic, cultural and temporal borders and takes us on the most beautiful voyages. Stimulating minds and capturing the imagination, it resonates even in the most distant lands.

The incredible musicians composing the Kindred Spirits Orchestra understand this and have devoted a significant part of their lives to cultivating their talents for the greater good of the community. Their events and outreach programs bring people together by taking what was once an intimate art form and making it accessible to everyone.

Congratulations on this milestone.
